ARFF-SERVICES GMBH

https://www.arff-services.com/en/job/we-welcome-unsolicited-applications/

We welcome unsolicited applications!

Location: Worldwide (remote possible)

ARFF-SERVICES GMBH is a dynamic company, founded in 2020, offering exciting training and services in the field of aircraft rescue and firefighting (ARFF). Our international customers include airports, authorities and aviation-specific companies.

We are always looking for talented and motivated professionals who share our passion for the fire industry and want to grow with us. We welcome **unsolicited applications** in the following areas:

- Technical and operational staff
- Customer relations and Sales
- Marketing

What we look for:

- An affinity for the firefighting industry and a strong interest in innovative solutions
- Team spirit, commitment and willingness to develop personally and professionally
- Flexibility and ability to work in a dynamic environment

What we offer:

- An inspiring and international work environment
- Opportunities for professional and personal development
- A motivated team with flat hierarchies
- Exciting projects in a growing organisation
- Remote working opportunities so location is not a barrier

Contacts

If you are ready to take on new challenges and become part of an innovative team, we look forward to receiving your unsolicited application!

Please send your contact details and CV to: info@arff-services.com**.**

We look forward to hearing from you!
